

# **K-4 Grade Level Supply Lists**

**2010-2011**

Dear Parents:

Guess what?? You don't have to buy school supplies this year!

WHAT, you say? How can that be??

Well, we're trying something new this year (and please be patient, it's a new system, we're still working on it!)

This year, for the Avondale campus only, supplies will be bought in bulk and provided to each classroom -- enough for every student.

School supplies still cost money, of course. To cover these costs, we're asking everyone who is willing and able to please contribute what you would normally spend on school supplies, on average around \$20-25 per child. Those who can't meet these expenses do not need to worry -- every child will have what they need.

With this pilot program, all classrooms will have the supplies that the teachers have requested -- and you don't have to drive all over town buying crayons and Kleenex!

We also encourage you to contribute enough to cover an extra student or two -- it's through your generosity that we're able to help out all families in our community.

To pay your share, just come by the School Supplies table on Orientation Day, Friday August 6, 2010. Or bring a check to the office & make sure it goes in the School Supplies box. Please make your check out to ICS and note 'school supplies' in the memo section.

For those of you who have already bought school supplies: Wow! Awesome! You're on the ball! No need for you to pay more (unless you want to!), & please be assured that nothing you've bought will go to waste.

Questions? E-mail Tovah Melaver at [tmelaver@mac.com](mailto:tmelaver@mac.com) or call 404.388.8692.

Many thanks!

\* Please Note that these supplies do NOT include backpacks, which are requested to be wheel-free in 3rd and 4th grade.

Sincerely,

Tovah Melaver
